The Talent Force Fee should be written to GSTC Talent Force and submitted to the Talent Force treasurer by September 1, 2012. Talent Force is the studio parents support organization.

National Premiere of the Musical Review Costs variable

- 1 or 2-day Park ticket - \$25-45 per person
- Hotel - \$100-\$125 per night
- A Parent or designated chaperone is required to attend this trip

Talent Force Participation

---

Talent Force was formed in 2001 to unite parent volunteers who have children enrolled at GSTC and want to contribute to their experience. Talent Force is run and controlled entirely by parents, who can engage in a variety of helpful pursuits to further elevate the success of their child's dance education. The group also provides an organized framework from which questions or concerns may be pursued with studio directors. A key focus of Talent Force for the 2012-13 Season should be fundraising. Fundraising is not mandatory for any tour member, however, it will be an available option for those interested. To confirm each parent is familiar with Talent Force goals and itineraries, parent attendance is required for initial, director-coordinated meetings.
